

**Livermore Woman's Club**

**Friends and Family Picnic**

**25 June 2016**

**Graciously Hosted By**

**Phyllis and Wayne Schrader**

**And Their son, Perry, at Trail's End Ranch**

Our hosts, Phyllis (l), Perry (c), and Wayne (r)

The lovely setting that brought such beauty to the day

Club members and their guests visited with one another, lined up to load plates with samples of an incredible bounty of food, and Jean Emond, our new Treasurer, diligently collected dues.

The tasty cake, expertly cut by outgoing President Rene Lee (lower r) with helpful advice from member Julie Burness (programs)

Rene thanks members and her fellow officers (above, center), Wayne summarizes the incredible (and bizarre!) history of the ranch, and attendees listen attentively.

Many thanks to everyone--members,  
guests, the Schraders--who helped to  
make our 2016 Friends and Family  
Picnic one of our most memorable.
